DISCLOSURE

Penn State College of Medicine is committed to offering CME activities that promote improvements or quality in health care and are developed free of the control of ineligible companies (formerly known as commercial interests). Reasonable efforts have been taken to ensure that our activities are balanced, independent, objective, scientific and in compliance with regulatory requirements. Faculty and course directors have disclosed all relevant financial relationships with ineligible companies, and Penn State College of Medicine has a process in place to mitigate any conflict of interest. Disclosure of a relationship is not intended to suggest or condone bias in a presentation. Still, it is made to provide participants with information that might be of potential importance to their presentation evaluation.

Devices or drugs still undergoing clinical trials should not be considered standard, accepted therapy. Please consult complete prescribing information before using any product mentioned in this activity. If using products in an investigational, off-label manner, it is the responsibility of the prescribing physician to monitor the medical literature to determine recommended dosages and uses of the drugs.

The information presented at this CME activity represents the views and opinions of the individual presenters. It does not constitute the opinion or endorsement of, or promotion by, Penn State College of Medicine. Each participant must use their personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions, including, without limitation, FDA-approved uses and any off-label uses.

The following presenters and planning committee members disclose:

Seema Naik, MD - Janssen, Advisory Committee Member

**Kevin Rakszawski, MD - Pfizer; AstraZeneca, - Consulting Fee

Cristina Truica, MD – Gilead; Menarini – Consulting Fee

All of the relevant financial relationships listed for these individuals have been mitigated.

The following presenters and planning committee members have no conflicts of interest to disclose:

Charyguly Annageldiyev, MD

Joseph Cioccio, DO

**Elizabeth Federici, MD

Raymond Hohl, MD, PhD

Hyma Polimera, MD

Shista Priyadarshini, MD

Catherine Travaline, DO

*Planning committee member

**Presenter and planning committee member

Penn State College of Medicine Continuing Education staff involved in the planning of this activity have no financial relationships with any ineligible companies relevant to this activity.

Presenters are required to inform the activity audience when they are discussing off-label or investigational uses of devices or drugs.

AGENDA

- 7:15 a.m. **Check-In/Continental Breakfast/Visit Exhibitors**
- 7:45 a.m. **Welcoming Remarks**

- 4:30 p.m. **Adjournment**

FAST FACTS

Breast Cancer and Hematology Update: Highlights of 2024 San Antonio Breast Cancer Symposium (SABCS) and 2024 American Society of Hematology (ASH) Annual Meetings Friday, March 14, 2025 Hershey Country Club J7028

CREDIT

AMA

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of *7 AMA PRA Category 1 Credit(s)*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses Using AMA Credit

Nurses will receive a certificate from Penn State College of Medicine verifying their participation in 7 hours of approved continuing medical education. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patient care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing.

ACCREDITATION COUNCIL FOR PHARMACY EDUCATION (ACPE)

Penn State Health Milton S. Hershey Medical Center is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This knowledge-based activity has been assigned the Universal Activity Number of 0322-0000-25-006-L01-P. It has been approved for 7.0 contact hours (0.7 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers. The attendee list will be uploaded into CPE Monitor approximately one week after completion of the program. Statements of credit indicated in contact hours and CEUs will be available through CPE Monitor. Successful completion includes signing in at registration with personal NABP number and date of birth, attending the entire conference, and completing the activity evaluation. Penn State Health Milton S. Hershey Medical Center complies with the Accreditation Standards for Continuing Education.

No partial ACPE credit will be provided. Attendee must attend the entire conference to receive credit.

To receive ACPE Credit

ACPE Attendance Verification must be completed separately from AMA credit.

You have three options to complete this ACPE Attendance Verification:

QR Code for ACPE only  OR you may complete the ACPE Verification form at the back of this handout and return to registration desk.

SIGN-IN AND ELECTRONIC EDUCATION DOCUMENTATION SYSTEM (eeds)

To receive AMA CME credit, you must sign in to eeds for attendance.

Go to the eeds website at eeds.com click the "Sign-In" button > enter the sign-in code, **00SEPT**. You can also text the sign-in code to (828) 295-1144. The sign-in code will expire on **Friday, March 28, 2025 at 4:00 PM**.

Sign-in is available via the iPhone app, Android app, eeds website or you can use this QR code:

QR Code for AMA only

FAST FACTS continued

Please verify that your information is correct in eeds. This information (name, address, email, and specialty) is used to print name tags, certificates, create participant lists, and send future activity mailings. We will also use this information to contact you if there are questions about your registration or for last-minute changes/cancellations. Please note that updating your information will help ensure future mailings/communications.

You can access your account information by logging into eeds and clicking on your name in the upper right-hand corner. Then click on your name in the top blue bar, select "edit profile," and enter your password when prompted. Verify and/or update your information.

Non-Penn State Health/External users, please consider using a personal email for your eeds account. Work/Business email addresses can often block or delay communication from us to you regarding your registration.

EVALUATION AND CREDIT CERTIFICATE

Evaluation

A completed evaluation is required to receive credit.

Please complete the evaluation in eeds. The evaluation will be available through **Friday, March 28, 2025 at 4:00 PM**. If you do not complete this evaluation during the allotted timeframe, your credit certificate will be delayed, and for Penn State Health employees, your credit record will not be migrated to your Compass transcript.

Credit Certificate

Penn State College of Medicine Continuing Education is using eeds to issue certificates. This electronic education documentation system will give you permanent online access to all of your CME certificates earned through our office.

Your certificate will not be available until you complete the evaluation in eeds. To view and print your certificate, please follow the directions below:

- Log into your eeds account at eeds.com/hp_login.aspx
- From the "Home" menu, click on the "Symposium" link (under the "Home" button) from the menu on the left side of the page
- Select the Symposium event
- Click the "View/Print your Attendance Certificate" option from the conference menu
- Select the number of credits that you are going to claim, and then click the "Next" button

COVID-19

On-campus educational activities provided by Penn State College of Medicine Continuing Education are required to follow healthcare facility guidelines. Off-campus events provided by Penn State College of Medicine Continuing Education follow the COVID-19 requirements of that venue. We ask that all participants respect that some attendees may still choose to wear masks for activities. Check the venue website for the latest requirements and recommendations. Please do not attend this activity if you have symptoms or have been exposed to someone with COVID-19. By attending the activity, you attest that you do not have any symptoms suggestive of COVID-19, which may include fever, cough, shortness of breath, sore throat, loss of taste, loss of smell or any other sign of illness.
