

CRMC Inpatient Neurology Case Conference_07.23-06.24

Date: Friday, September 19, 2025

Time: 10:30 AM - 11:30 AM

Location: 9W Providers Rounding Room

Learning Format: In-Person

Presentation and Speaker Information:

- CRMC INPATIENT NEUROLOGY CASE CONFERENCE_07.23-06.24
 - William Likosky, MD, MD - Community Neurosciences Institute

Series Objectives:

- Apply evidence-based guidelines in the inpatient evaluation and management of common neurological conditions, including stroke, Parkinson's disease, and altered mental status, to enhance diagnostic accuracy and treatment outcomes.
- Interpret focused chart review data in the context of guideline-based care, with an emphasis on applying AHA stroke metrics to improve quality and safety in stroke management.
- Describe appropriate management strategies for inpatient hypertension and the safe use of antiplatelet agents, including risk mitigation for bleeding and contraindications.
