Speaker:

Elisa Vengalil, MD, CLC
Pediatric Resident, PGY-3
St. Christopher's Hospital for Children

Dr. Elisa Vengalil is a third-year pediatric resident at St. Christopher's Hospital for Children. She is a native of Dallas, Texas, and completed a BS in Biomedical Sciences with a Minor in Neuroscience at Texas A&M University, and her medical degree at Texas Tech University Health Sciences Center. She plans to practice General Pediatrics with a focus on lactation medicine and developmental and behavioral medicine.

Learning Objectives:

1. Define the gut microbiota and microbiome, and its role in development and health
2. Recognize the current and future efforts in pediatric gut microbiome research
3. Define the role of primary care providers in shaping a healthy gut microbiome for our patients

TARGET AUDIENCE:

Physicians, Advanced Practice Providers, Nursing, Fellows, Residents, Medical Students and other healthcare professionals.

ACCREDITATION STATEMENT:

Tower Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

CREDIT DESIGNATION:

Tower Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This program awards 1 contact hour. Tower Health is an approved provider of nursing continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

SERIES DISCLOSURES: The course director and members of the planning do not have any relevant financial relationships with any ineligible companies to disclose regarding today's presentation. Faculty and all others who have ability to control the content of continuing education activities sponsored by Tower Health are expected to disclose to Tower Health all of their financial relationships with ineligible companies. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

NURSING CREDIT DESIGNATION: This program awards 1 contact hour. Tower Health is an approved provider of nursing continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CLAIMING CME CREDITS: Attendees MUST sign in with the six-digit activity code provided at the session using eeds within 24 hours of the conference start time and complete the online evaluation within 30 days at <https://towerhealth.eeds.com>
