

## Trauma Grand Rounds “Complex Extremity Reconstruction” Purushottam Nagarkar, MD

### Registration Information

To receive CME credit, participants need to:

- Register
- View presentation
- Take quiz and obtain 80% (4 out of 5) to pass
- Complete evaluation
- Print certificate

Participants should take 1 hour to complete the activity.  
Participants may work at their own pace.

### Teaching Methods

This online enduring material uses the following teaching methods and media:

1. Lecture (audio/videotaped)
2. PowerPoint Presentation

### Acknowledgements of Commercial Support

There is no commercial/financial support for this activity.

### CME Enduring Material Description, Target Audience and Needs Statement

This online educational enduring material is designed for physicians and clinical staff. Its purpose is to bridge the gap between the medical knowledge and current practice with evidence based practice guidelines to achieve optimal patient outcomes through discussions and examinations of interesting, real world cases seen in the pediatrician's office.

### Objectives

At the end of this online enduring material, participants should be able to:

- Describe the initial workup and stabilization of traumatic extremity injuries
- Describe the reconstructive options, indications, and optimal timing in complex extremity trauma
- Understand expected outcomes, complications, and postop course for complex extremity trauma reconstruction patients

### For Further Study

- “Damage Control” Hand Surgery Evaluation and Emergency Management of the Mangled Hand, Hand Clin 34 (2018) 17–26

- Traumatic Wounds of the Upper Extremity Coverage Strategies, Hand Clin 34 (2018) 61–74
- Antibiotic Management and Operative Debridement in Open Fractures of the Hand and Upper Extremity: A Systematic Review, Hand Clin 34 (2018) 9–16
- The Optimal Timing of Traumatic Lower Extremity Reconstruction: Current Consensus, Clin Plastic Surg 48 (2021) 259–266

In compliance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence, all presenters, authors and planners must disclose to the participants of an educational activity any affiliations and financial relationships they may have with an *ineligible company*, (i.e., any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients) related to the content of this CME activity.

The Course Director, Lauren Gillory, MD, has no relevant affiliation or financial relationships with an ineligible company.

The speaker Purushottam Nagarkar, MD, has no relevant affiliation or financial relationships with an ineligible company.

The CME planners and staff have no relevant affiliations or financial relationships with an ineligible company.

### Credit Designation Statement

The Children's Health is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The Children's Health designates this enduring material for a maximum of *1 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
