

WI Opioid Prescribing CME

These webinars have been designed to meet the Wisconsin medical license requirement for 2 credits of responsible opioid prescribing CME*. Each webinar is one hour and will be recorded. Recordings will be posted a few days after the live event at ssmhealth.eeds.com.

Presenter: Danielle Mitchell, MD, MBA

Regional Clinical Program Medical Director Ambulatory Services – Southern Region, SSM Health – Dean Medical Group

Opioid Prescribing – Best Practices Update

November 20, 2025, 12:00-1:00 p.m.

Learners will be able to:

- Describe the risks to patients and providers relative to prescribing opioids.
- Apply the 2022 CDC guidelines relative to prescribing opioids.
- Apply documentation standards related to prescribing opioids.
- Recognize the dangers of polypharmacy related to opioids and other CNS depressants.
- Utilize resources available to assist providers with how to safely taper or transition a patient to a safer regimen.
